

consideration, it is believed that upon reconsideration of the Examiner's initial restriction requirement, all of the pending claims should be examined in the subject application.

AMENDMENT

IN THE CLAIMS

Please amend claim 30 as follows:

30. (AS ONCE AMENDED) The process of manufacturing a plurality of fluid jetting apparatuses as claimed in claim 27, wherein:

the forming of the electrodes on the third substrate is performed by [an] a lithography process or a wet etching process; and

the forming of the heat elements on the third substrate is performed by the lithography process, the spinning process or a lift-off process.

REMARKS

In accordance with the foregoing, claim 30 has been amended to improve form. No new matter is presented in this Amendment.

If any further fees are required in connection with the filing of this Response to Restriction Requirement and Amendment, please charge the same to our deposit account number 19-3935.
